

MORRISVILLE FAMILY
HEALTH CARESM

**Committed to
our community.**

Placed in the heart of Lamoille County, Morrisville Family Health Care offers a convenient location for most of the members of our community. Our experienced and committed physicians, nurse practitioner and staff provide the highest quality primary care for newborns, seniors and all ages in between; serving families of several generations. In addition, Morrisville Family Health Care is home to a Certified Diabetic Educator who works closely with patients and their physicians to manage their diabetes and to learn strategies on how to better care for oneself through diet, exercise, blood sugar monitoring, stress management and medication.

We're neighbors taking care of neighbors.

Our services include...

- Complete medical care for the entire family; newborns to adults
- Specialized Diabetic Care
- Same Day Appointments

You could
save up to
90%
on your
medical bills

We are willing and eager to work with our patients to make sure medical bills don't lead to financial hardship. But, before we can help, you have to take the first step by filling out our confidential financial disclosure form. Please ask us for details at 888-5639.

We accept Medicare, Medicaid
and most commercial insurance plans.
