

For brain and body health.

Dr. Jeanmarie Prunty is a Board Certified Neurologist who also serves as the Head of Neurology at Copley Hospital. At the Neurology Clinic, she helps members of our community maximize their enjoyment of life with the diagnosis and treatment of neurological disorders involving the central, peripheral, and autonomic nervous systems, including Alzheimer's/dementia, movement disorders, headaches, epilepsy, sleep disorders, chronic pain management, multiple sclerosis or neuromuscular diseases.

We're neighbors taking care of neighbors.

Stay active and enjoy life!

One of the great pleasures of living and playing in Lamoille County is our amazing access to a host of fun and healthy outdoor activities and athletics. To keep you going strong, Dr. Jeanmarie Prunty also has a special interest in preventing head trauma and concussions and welcomes inquires regarding the prevention and treatment of these injuries.

You could
save up to
90%
on your
medical bills

We are willing and eager to work with our patients to make sure medical bills don't lead to financial hardship. But, before we can help, you have to take the first step by filling out our confidential financial disclosure form. Please ask us for details at 802 888-5639.

We accept Medicare, Medicaid
and most commercial insurance plans.
