

# Every woman's healthcare should be as unique as she is

Having a customized healthcare plan for yourself as a woman is an important part of maintaining a happy, healthy life.

At The Women's Center, our focus is on preventative care for women of all ages, healthy pregnancies with the services of our Midwives and OB/GYN, and gynecological surgeries. We work closely with you to customize all treatments to fit your individual lifestyle and personal beliefs, always considering all relevant alternatives for treatment.

# Our services include...

- Annual exams
- Pre & post natal care
- Labor & delivery
- Contraception
- Treatment for menstrual irregularities
- Menopause
- Infertility
- Hormone replacement therapy
- Premenstrual disorders
- Colposcopy
- Incontinence and pelvic-floor disorders
- Pelvic surgery
- Laparoscopic gynecological surgery

Our friendly staff are dedicated to providing you with complete, up-to-date care – the best obstetrical and gynecological care a woman can have.

You could  
save up to  
**90%**  
on your  
medical bills

We are willing and eager to work with our patients to make sure medical bills don't lead to financial hardship. But, before we can help, you have to take the first step by filling out our confidential financial disclosure form. Ask for details.
